

Wiring diagram for the high-position brake light (高位制动灯) system. The diagram shows the electrical connections from the power source (K664(A)) through various relays and switches to the brake light.

Key components and connections:

- Power Source:** K664(A) (3)
- Relay/Control Unit:** SP1317
- Relay/Control Unit:** KJY01 Y.K01
- Switch:** YK20 (2) 电
- Ground:** 地 (1) YK20
- High-Position Brake Light:** 高位制动灯

Wire types and gauges are specified throughout the diagram, including:

- Br/W 0.35 ALL
- Br/W 0.35 LRCL
- Br/W 0.35 MMTL
- Br/W 0.35 SP2307
- Br/W 0.35 LRCL
- Br/W 0.35 MMTL
- Br/W 0.35 MMTL
