## SA 发动机线束 I 线束图

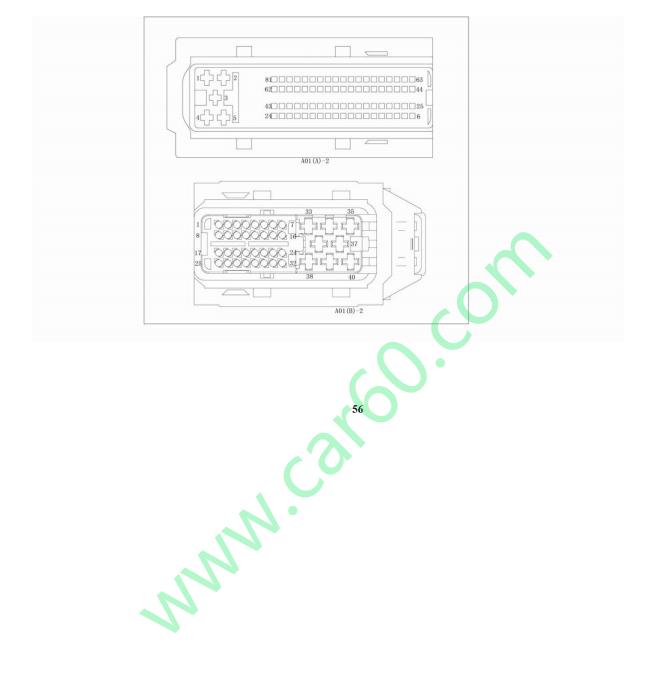

| A26        | 接涡轮增压器空               |    |   |
|------------|-----------------------|----|---|
|            | 气循环阀                  |    |   |
| A11-2      | 接冷却剂温度传<br>感器         |    |   |
| A12-2      | 接机油压力传感器              |    |   |
| A13(B)-2   | 接发电机励磁端               |    |   |
| A17-2      | 接压缩机离合器               |    |   |
| 1990010000 | Symmetry Party In the |    |   |
| A05(A)-2   | 接前级氧传感器               |    |   |
| A19-2      | 接倒车灯开关                |    |   |
| A20-2      | 接空挡开关                 |    |   |
| A18(A)     | 接蓄电池负极                |    |   |
| A1M7       | 蓄电池正极接前<br>舱配电盒       |    |   |
| A1M8       | 发动机接前舱配<br>电盒         |    |   |
| A14(B)-2   | 接起动机B端                |    |   |
| AlA        | 接前舱配电盒                |    |   |
| AJB02-2    | 接前舱线束                 |    |   |
| AJB01-2    | 接前舱线束                 |    |   |
| A01(A)-2   | 接发动机 ECU              |    | • |
| Ea02-2     | 接 2#搭铁                |    |   |
| Ea02-3     | 接 2#搭铁                |    |   |
| Ea01-2     | 接 1#搭铁                |    |   |
| Ea01-3     | 接 1#搭铁                |    |   |
| Ea01-4     | 接 1#搭铁                |    |   |
| A01(B)-2   | 接发动机 ECU              |    |   |
|            |                       | 58 |   |
|            | N                     |    |   |
|            | N                     |    |   |
|            |                       |    |   |
|            |                       |    |   |
|            |                       |    |   |
|            |                       |    |   |
|            |                       |    |   |
|            |                       |    |   |
|            |                       |    |   |
|            |                       |    |   |
|            |                       |    |   |
|            |                       |    |   |
|            |                       |    |   |
|            |                       |    |   |
|            |                       |    |   |
|            |                       |    |   |
